Manufacturer need to add product by click on add Product button

The screenshot shows a web application interface. On the left is a dark blue sidebar with a user profile at the top (Welcome, WB5476) and a menu with options: GENERAL, Home, Dashboard, Add Dealers & Products, Dealers, and Products. The main content area is titled 'Product' and features a '+ADD' button in the top right corner. Below the title are buttons for 'Copy', 'CSV', and 'Print', and a search box. A table displays a list of products with the following columns: SL, Product Name, Category, Machinery, Manufacturer Name, Model No., Competitive Price (Not MRP), Certificate Download, and Status. The table contains one entry: SL 1, Product Name 'Test Mach 1', Category 'Sowing and Planting machinery', Machinery 'Multi Crop Planter', Manufacturer Name 'WB5476', Model No. 'Santi', Competitive Price '21000', Certificate Download 'Download', and Status 'Dormant'. A blue arrow originates from the '+ADD' button and points to the 'Products' menu item in the sidebar.

SL	Product Name	Category	Machinery	Manufacturer Name	Model No.	Competitive Price (Not MRP)	Certificate Download	Status
1	Test Mach 1	Sowing and Planting machinery	Multi Crop Planter	WB5476	Santi	21000	Download	Dormant

Product Approval done only by STATE NODAL of DOA

After Approval of Product by DOA, Product will be Activated

Click On " Add " Product Button

Add Product Dashboard

Both Edit and delete button under each product applicable prior to DOA approval

The screenshot displays the 'Add Product Dashboard' interface. On the left is a dark sidebar with navigation options: Home, Dashboard, Add Dealers & Products (expanded to show Dealers and Products), and a search bar. The main content area is titled 'Product' and features a '+ ADD' button in the top right. Below the title are 'Copy', 'CSV', and 'Print' buttons, followed by a search input field. The central part of the dashboard is a table with the following columns: SL, Product Name, Category, Machinery, Manufacturer Name, Model No., Competitive Price (Not MRP), Certificate Download, and Status. Three product entries are listed. The first entry (SL 1) is 'Test Mach 1' with status 'Dormant'. The second entry (SL 2) is 'Test Product' with status 'Active'. The third entry (SL 3) is 'Test Product' with status 'Dormant'. Below each row is an 'Actions' section containing an edit icon (pencil) and a delete icon (trash). A blue arrow points from the top text box to the edit and delete icons of the third product row. A red arrow points from the bottom text box to the edit icon of the same row.

SL	Product Name	Category	Machinery	Manufacturer Name	Model No.	Competitive Price (Not MRP)	Certificate Download	Status
1	Test Mach 1	Sowing and Planting machinery	Multi Crop Planter	WB5476	Santi	21000	Download	Dormant
2	Test Product	Tillage Machinery	Rotavator 6-8 feet	WB5476	SK I 5421	25000	Download	Active
3	Test Product	Sowing and Planting machinery	Zero Tillage Multi Crop Planter 9 row & above (above 35bhp drawn)	WB5476	ABC XYZ 123	50000	Download	Dormant

DOA approved "ACTIVE" product will not be deleted.

Product price modification applicable once in a season (**Applicable in next year**).

Add Dealer Dashboard

❑ After Adding All Products, need to add **“DEALERS”**

❑ Click on Dealers

- Bank Details are Optional Field.
- Click on **“ADD/EDIT Bank Details”** for update Bank Information

The screenshot displays a web application interface for managing dealer information. A modal window titled "Bank Details" is open, containing the following fields:

- Bank Name
- Account Holder Name
- Account Number
- IFSC
- Account Type

At the bottom of the modal are "Save" and "Close" buttons. A red text overlay reads "All Field's are mandatory". An orange arrow points from this text to a "+ Add/Edit Bank Details" button located in the background application. The background shows a "DEALER" section with a table of entries and a search bar.
