Memo No. CMOH-N24PGS/NTEP - 4904

Date: 08.6.2021

Notice Inviting 'Expression of Interest'

District Health & Family Welfare Samiti (NTEP), North 24 Parganas is inviting EOI in prescribed format from registered **Non-Government Organizations (NGOs) / Private Providers** for implementing **Specimen Management Scheme (Option III)** as mentioned in the "National guideline for partnership – 2019" under NTEP. The details will be available in the notice board of the CMOH office, office of the DTO, North 24 Parganas and also in the web site www.north24parganas.gov.in & www.wbhealth.gov.in. The decision of the District Level Selection Committee will be final and committee reserves the right to reject any application and/or cancel the entire process of 'EOI' without assigning any reason thereof.

Last date of submission of EOI: 23/06/2021 by 4 PM

Date of opening of EOI: 25/06/2021 at 2 PM.

Pre-bid meeting: 14/06/2021 at 1 PM.

Instructions to Applicants

1. Details of proposed schemes:

Scheme no.	Name of the Scheme proposed	Area of work
1.	Specimen Management : Option III - Collection of Sputum Sample (Activity 1) & Transportation of Specimen (Activity 3)	Collection of sputum sample from Non DMC PHIs and Non functional DMCs to specified DMCs or NAAT sites. (For details of area of work, see <i>Annexure – 6A</i>).
2.	Specimen Management : Option III - Collection of EP sample, Respiratory sample (excluding sputum) and Paediatric sample (Activity 2) & Transportation of Specimen (Activity 3)	<ul style="list-style-type: none">• For EP TB Cases, collection of EP specimen and respiratory (excluding sputum) specimen and transportation for testing to nearest public NAAT site.• For Paediatric cases, sample collection and transportation for testing to nearest public NAAT site. (For details of area of work, see <i>Annexure – 6B</i>).

2. General Instructions:

- **Separate applications should be submitted for Scheme No. 1 and Scheme No. 2.**
- Each applicant for each scheme will have to submit ₹ 5000.00 as Earnest Money in the form of Demand Draft from any bank in favour of '**District Health & Family Welfare Samity**' payable at **Barasat**. This earnest money will be refunded to the unsuccessful bidders, whereas will adjusted with Security Deposit of the successful bidder.
- The bid to be submitted in sealed envelope superscripted as "**EOI for Sputum Collection & Transportation (Scheme No. 1)**" & "**EOI for EP & Paediatric Sample Collection & Transportation (Scheme No. 2)**" respectively in the Drop Box kept at the District Tuberculosis Centre by the scheduled date and time.
- The successful bidder in each scheme will have to submit a sum of ₹ 25000.00 as Security Deposit in the form of Demand Draft from any bank in favour of '**District Health & Family Welfare Samity**' payable at **Barasat** within 07 (seven) days of receipt of AOC. If the selected bidder fails to submit Security Deposit within 07 days of receipt of AOC, the selection will be deemed to have been cancelled & the Earnest Money will be forfeited.
- A **Memorandum of Understanding (MOU)** will be signed with the successful bidder in a non-judicial stamp paper of ₹ 100 for each of the scheme within 7 (seven) days of issuing of AOC and after submission of Security Deposit. Initially the agreement will be made for up to **31st December 2021** which may be renewed based on the performance of the selected bidder and requirement of the programme. If the selected vendor fails to sign MOU within 7 (seven) days of receipt of AOC, the selection will be deemed to have been cancelled and the Security Deposit will be forfeited.
- The selected bidder in each scheme will have to initiate work within 07 (seven) days of signing the MOU. If the selected vendor fails to initiate work within 7 (seven) days of signing of MOU, the selection will be deemed to have been cancelled and the Security Deposit will be forfeited.
- The CE licence and other statutory documents should be in the name of the applicant/s.
- Either party can terminate the contract by submission of one month's advance notice. If the selected bidder discontinues work violating the terms and conditions mentioned in this EOI, the Security Deposit will be forfeited and contract will liable to be terminated.
- If the selected bidder fails to follow the terms and conditions mentioned in the EOI and in the guidelines issued by the Central and State authorities time to time, the contract will be terminated and the Security deposit will be forfeited.
- The District Tuberculosis Officer or the District PPM Co-ordinator (NTEP) may be contacted for any clarification.
- The bidder or his/her authorized representative may remain present in the pre-bid meeting and during opening of EOI.
- In case of any dispute, decision of the District Health & Family Welfare Samiti will be final and bounding to all.

3. Amendment of EOI:

At any time prior to the deadline of submission of application, the authority may, for any reason, whether at its own initiative or in response to clarifications requested by an applicant and/or instructions/guidelines issued by the higher authority, may modify the EOI by the issuance of *Addenda*. It is further clarified that the configuration and the responsibilities, terms and condition of the scheme may be changed by the authority and it shall be binding on the applicants. Any addendum / clarification thus issued will be made available and can be downloaded from the website of the authority.

In order to provide the applicants a reasonable time for taking an addendum into account, or for any other reason, the authority may, in its sole discretion, extend the application due date.

4. Submission of Application:

The applicant shall provide all the information sought in this EOI. The authority will evaluate only those applications that are received in the required formats and complete in all respects. Incomplete and /or conditional applications shall be liable to rejection.

The Application shall consist of the following documents:

- (i) Annexure 1- Letter of application in the prescribed format;
- (ii) Annexure 2- Profile of the Applicant;
- (iii) Annexure 3- Notarized affidavit;
- (iv) Copy of the following:
 - a) Memorandum and Articles of Association, if the applicant is a corporate body.
 - b) Memorandum of Association and Rules and Regulations, if the Applicant is a Society.
 - c) Trust Deed if the Applicant is registered as a trust.
 - d) **CE licence** of the associated health facility for the applicants of **Scheme No. 2** in the address of the concerned cities as mentioned in **Annexure 6B**.
- (v) Annexure 4- Financial Turnover Certificate duly signed and attested by a Chartered Accountant for 2017-18, 2018-19 & 2019-20.
- (vi) Copies of Applicant's duly audited balance sheet and profit and loss account for the preceding three Financial Years i.e. 2017-18, 2018-19& 2019-20.
- (vii) **Annexure 5A- Scheme Concept Note for Scheme No. 1.**
- (viii) **Annexure 5B- Scheme Concept Note for Scheme No. 2.**

5. Opening and Evaluation of Applications:

The Authority or its authorized personnel shall receive all the EOI applications up to due date and time for submission of applications.

The Authority or its authorized personnel will subsequently examine and evaluate Applications in accordance with the provisions set out in the **Eligibility Criteria**.

The Authority reserves the right not to proceed with the selection process at any time without notice or liability and to reject any or all application(s) without assigning any reasons.

6. Shortlisting of Applications and Notification:

After evaluation of applications, the authority would announce a list of shortlisted applicants who will be eligible for participation in the negotiation cum selection meeting to all the shortlisted applicants via email. At the same time, the authority would notify the other applicants that they have not been shortlisted. The authority will not entertain any query or clarification from applicants who fail to qualify.

Terms of reference for Specimen Management scheme

Scope of Work

Scheme No. 1: Collection of Sputum Sample (Activity 1) & Transportation of Specimen (Activity 3)

Eligibility criteria for Service Provider

- Service provider should be a registered entity as per the specifications in the EOI.
- Should have an existing network or capacity to make adequate arrangements for logistics and transportation.
- Should have experience in managing a logistics network for at least two to three years.
- Should have experience of at least two to three years in similar work.
- Should have staff to conduct outreach activity.
- Should have local presence in the community intended to be reached.

Role of Service Provider

- Recruit adequate personnel.
- Undergo training if required and adhere to NTEP guidelines.
- Maintain records and reports as given by NTEP.
- Provide services free of cost to patients and ensure their privacy and confidentiality.
- Ensure real-time reporting in Nikshay.
- Ensure and establish a Sputum Sample Collection Centre in PHIs as specified in **Annexure-6A** and the sputum sample collected to be transported to the PHIs as mentioned in the same **Annexure-6A**.
- **Number of collection centres may increase or decrease or alter in future as per prevailing situation/Govt. order/posting of LTs or MT (Lab)s/requirement of the programme. The agency selected will be bound to modify (increase/decrease/alter) the number of collection centres as per order of the District Tuberculosis Officer.**
- Collection, packaging, labelling and transportation should be done as per NTEP guidelines.
- Identify designated areas as well as nodal persons for specimen collection and packaging.
- Counsel and coach the patient on expectorating to produce a good specimen.
- Ensure appropriate specimen storage facility as per the NTEP guidelines in case of delays in transport.
- Coordinate with corresponding laboratories for on-time delivery of result.
- Maintain biological specimen examination request form and sputum collection register.
- Ensure on-time delivery of results to the specimen collection centre and/or patients.
- Ensure on-time delivery of test results to collection centres. Maintain specimen transportation record and getting it signed every day from a representative of NTEP.

- Sputum Collection Centres will function preferably 6 days a week except on Govt. scheduled holidays when OPD services remain off. However, functioning of such Sputum Collection Centres may be modified by the District TB Officer depending on the load of patients and other factors.

Role of NTEP

- Provide the SOPs, NTEP formats for specimen collection, packaging and transporting as well as access to Nikshay user credentials to the Service Provider.
- Train Service Provider on specimen collection, packaging and transportation with requisite safety precautions as per NTEP guidelines.
- Identify and specify laboratory linkages.
- Provide sputum specimen container and other consumables required for collection and transportation of sputum samples.
- Provide prototype sample transportation box and technical specification for procurement of the boxes.
- Ensure timely payments to Service Provider.

Performance indicators and its linkage to payment (indicative)

- Payment will be based on number of specimens collected, transported and accepted at laboratory and entries updated in Nikshay.
- 20% of bill will be deducted if fewer than 70% of diagnostic sputum sample are of mucopurulent quality as recorded in Nikshay.
- 20% of bill will be deducted if samples are received at the linked laboratories 72 hours after the time of collection.
- All payments will be made on monthly basis after verification of bills and other documents.

Verification mechanism

- The first level of verification will be completed by reviewing and cross-checking with Nikshay records and/ or any other NTEP reports submitted for a defined period. Payments will be as per this verification
- The second level – physical verification may be undertaken by the District assigned personnel / agency and could include:
 - Verification of records from lab registers.
 - Interviews with staff from facilities where samples are collected and transported.
 - Interviews with 5% of TB patients who have availed services under this option.
- If discordance is found during the verification mechanism, the assigned penalties may be applied and may be adjusted in payments of subsequent quarter.

Scheme No. 2: Collection of EP sample, pulmonary sample (excluding sputum) and Paediatric sample (Activity 2) & Transportation of Specimen (Activity 3)

Eligibility criteria

- The Service Provider should be a registered entity - **essentially a health facility** (having valid CE licence in **Bongaon, Barasat, Barrackpore and Bidhannagar towns**. The Sample Collection Centres will operate in these towns. Patients of concerned sub-divisions will be referred to these health facilities from the **public health facilities** of respective sub-divisions.
- Since the specimen retrieval process is either invasive or surgical, it is preferable if the Service Provider has a clinical setup. The Service Provider must ensure the ready availability of specialist expert who can perform fine needle aspiration and cytology, biopsy, CSF aspiration, gastric aspirate, gastric lavage, broncho-alveolar lavage, drainage of abscess, surgical excision from presumptive EP (all age groups) or paediatric TB patients (all types of TB) from a healthcare facility based on the needs of the programme.
- Should have instruments, consumables and infrastructure for the required procedures in **Bongaon, Barasat, Barrackpore and Bidhannagar cities**.
- Collection of samples will be done from patients at four Sub-Divisions of North 24 Parganas Health District Viz. Bongaon, Barasat, Barrackpore & Bidhannagar.
- **Collection centres should be health facilities located in 4 sub-divisional cities viz. Bongaon, Barasat, Barrackpore & Bidhannagar (Salt Lake).**
- **The applicants can apply for any one of the towns or in any combination such as two or three or all of the towns. However, rates quoted for all the cities will be same for any single applicant.**
- Samples should be collected for both diagnosis and UDST (Universal Drug Susceptibility Testing).
- Should have an existing network or capacity to make adequate arrangements for logistics and transportation of the collected samples to the tagged public NAAT sites as mentioned in Annexure-6B.
- Should have experience in managing a logistics network for at least two to three years.

Role of Service Provider

- Recruit adequate personnel.
- Undergo training if required and adhere to NTEP guidelines.
- Maintain records and reports as given by NTEP.
- Provide services free of cost to patients and ensure their privacy and confidentiality.
- Ensure real-time reporting in Nikshay.

- Ensure availability of specialists, infrastructure, instruments and consumables for the required procedure (specimen collection).
- Collect and pack specimen as per NTEP guidelines.
- Transport specimen from identified collection centres to the linked TB laboratory as per NTEP guidelines.
- On time delivery of test results to the referring centre/collection centre if required.
- Maintain documents and registers.
- Maintain specimen transportation record and getting it signed every day from a representative of NTEP.
- Enter details in Nikshay.
- Ensure appropriate facility to store specimen as per NTEP guidelines in case of delays in transport.

Role of NTEP

- Provide linkages with laboratory.
- Provide SOP, documents, formats for specimen collection and packaging as well as access to Nikshay user credentials.
- Train Service Provider on the Government's health and safety guidelines for staff involved in sputum transportation.
- Provide prototype specimen collection and transportation box and technical specification for procurement.
- Provide prototype of records to be maintained.
- Train Service Provider on the SOP, if necessary.
- Identify and ensure linkage to logistics Service Provider and laboratory.
- Ensure timely payments to Service Provider.

Performance indicators and its linkage to payment (indicative)

- Payment will be based on number of specimen collected, transported, accepted at laboratory and entry of specimen made in Nikshay.
- Payment will be made as per the payment matrix specified in this EOI.
- Deduct 20% if fewer than 70% of specimen are of acceptable quality (cross-verify with Nikshay).
- Deduct 20% if samples are received at the link laboratories 72 hours after the time of collection.

Verification Mechanism

- The first level of verification will be completed by reviewing and cross-checking with Nikshay records and/ or any other NTEP reports submitted for a defined period. Payments will be as per this verification.

- The second level – physical verification may be undertaken by the District assigned personnel / agency and could include:
 - Verification of records from lab registers.
 - Interviews with staff from facilities where samples are collected.
 - Interviews with 5% of TB patients who have availed services under this option.
- If discordance is found during the verification mechanism, the assigned penalties may be applied and may be adjusted in payments of subsequent quarter.
