5. Earnest money noted against the name of work @ 2% of the value of work (as mentioned in appended list) will have to be deposited in the form of Bank Draft in favour of the Executive Officer, Barasat –I Panchayat Samity. The earnest money will be refunded soon after starting of execution of the lowest agency and other unsuccessful Agencies will be refunded after proper application. Security money will be deducted from the running bill/ RA/Final bill @ 10% of work value. The security money will be released as per norms.
6. The rate should be quoted in percentage both in figures as well as in words. If the tendered amount is less than 15% of the estimated amount, an analysis of the tendered amount should be provided along with Teder.
7. Incomplete tender will be rejected summarily. The successful tenderers will have to execute a formal agreement on a **Non-Judicial stamp worth Rs.10/- (Ten)** within 10 (ten) working days from the date issue of work order.
8. Audit report of last financial year will have to be submitted in case of Eng. Co-op. and Labour Co-op. Societies. The tender forms are to be received by the Chairman or Secretaries or member of the society having proper power of Attorney. Credential of similar type of works will have to be produced in case of Eng. Co-op. and Labour Co-op. Societies.
9. All works will have to be done according to specification and drawing approved by the authority and as per direction of the Executive Officer, Barasat-I Panchayat Samity.
10. No consumable materials will be supplied to the agency for any work from the office of the undersigned. Agency will be responsible for procuring all materials required for proper execution of the work at his own cost.
11. Cement and Reinforcement bar have to be supplied by the contractor with his own arrangement according to the approval of brand which should be ascertained from E.I.C, subject to submission of valid document of Test Certificate of the supplied materials before consumed. In case of sinking of Tube Well, Specification of Pipe should be checked through providing of certificate as specified in the proposed estimate.
12. All construction related materials which will be used in the proposed construction should be maintained as per proper specification.
13. All rates shall be inclusive of all charges, royalty, toll charge, all types of carriage etc.
14. Before starting the work the work site must be dressed and cleared by cutting all sorts of jungle, shrubs etc. for which no extra payment will be made.
15. Any rate above the schedule rate of work will not be ordinarily entertained.
16. The contractors who will not submit tender paper(form) or do not return the same before the date and time of dropping after receiving the same, will not be allowed to participate in two consecutive tenders.
17. The successful tenderer will have to start the work within seven days from the date of issue of work order after execution of formal agreement as per rule and have to complete the work within the time allowed for completion.
18. Acceptance of the lowest tender is not obligatory and the undersigned reserves the right to accept or reject any or all the tenders without assigning any reason what so ever and also to split up the tendered work to more than one contractor in the interest of scheme execution.

wbbrs@nie.in

19. Amalgamation of unemployed Engineers Co-operative & Labour Co-operative in any form should not be allowed towards counting of eligibility in participation of tender.
20. IT & CESS at the prescribed rate will be deducted at source.
21. This notice shall form of terms and conditions of tender and tenderers shall be bound to abide by them.
22. Before submission of the tender the contractor must be visit the work site to judge the local condition from all corners and no plea/complain above the site will be entertained afterwards. It will be presumed that the agency offered the tender after reviewing entire position of the work site. In case of any change of working site the undersigned reserved the right to change the order in new position according to the availability of land.
23. a) Separate tenders should be submitted in similar way for each work or group of work.
b) Before submitting tender the tenderer must get his signature attested on the contract form by witness failing which his tender may be liable to be rejected.
24. All working tools and plants and implements required for the work are to be arranged and supplied by the successful tenderer, at his own cost.
25. The successful tenderer will have to abide by the provisions of W.B. Contract Labour (Regulation and Abolition) Rules, 1972 as will be in force from time to time. If no labour license is obtained and produced by the contractor payment will liable to be withheld.
26. If the last date of submission of tender is declared as holiday, the tender will be received upto 12.00noon and will be opened immediately afterwards as usual.
27. Claim for idle labour from contractor will not be entertained under any circumstances. No claim will be entertained for any increase in Railway freight and market price.
28. The tenders received after the due date and time and any change in quotation after opening of the tender, will be out rightly rejected. The Dept. will not be responsible for the loss of tender form or for the delay in the postal transit.
29. All eligible applicants shall purchase all tender papers for which they have applied.
30. (a) Milestones to be achieved during the contract period
 - (1) 1/8th of the value of entire contract work up to 1/4th of the period allowed for completion of construction
 - (2) 3/8th of the value of entire contract work up to 1/2 of the period allowed for completion of construction
 - (3) 3/4th of the value of entire contract work up to 3/4th of the period allowed for completion of construction
